To Judge Thuma:

I am a victim of sexual abuse from a priest of the Archdiocese of Santa Fe. I was listening to the status conference Friday the 23<sup>rd</sup>.

Why –why is the settlement plan and disclosure statement taking so long?? The settlement plan was announced in May.

It is obvious that attorney Walker is not sending the documents to the insurance attorneys and all parties involved in a timely manner. He says he is-but you heard the attorney from Arrowhead Indemnity say they have not received all the documents needed to move the settlement forward.

Please-Please consider having status conferences at least every week-and imposing deadlines on the case. Maybe that will result in the settlement plan and disclosure statement.

It is absolutely ridiculous that it has taken this long. The attorneys could be referring to the Gallup bankruptcy settlement or other Archdiocese cases for reference-to move the case forward.

Thank You
